

AGC STUDENT CHAPTER MONTHLY MEETING MEETING MINUTES

11/03/2009

Call to order at 12:31pm by President Brad Thomas

Presidents Report: Brad presented immediate past President Zach Fulmer with a certificate of appreciation. He presented Dr. White, Dr. Laier, and Dr. Steadman with the National AGC Charter Recognition. Dean Steadman invited everyone to follow the construction of Shelby Hall – the new engineering building.

Vice President: Dustin Maherg mentioned that you missed a great time at AGC's "After Hours" at Maghees.

Dr. White discussed site visits to Shelby Hall and to check the websites for updates. The CE students took the lead to capture a visual history of Shelby Hall construction.

Guest Speaker Mike Wilson was introduced by Staci Fain. Wilson is the Design Engineering Manager at Ciba of BASF Group since 1982. Graduate of U. of Alabama BS Mechanical Engineering. BASF is a supporter of the USA co-op program so students know what they want when they join the workforce. He presented on the non-technical side of engineering promoting those who wish to become management for an engineering company.

Upcoming Events:

- AGC Clay Shoot 11/06/09 at Taylor Creek in Theodore at 9am
- Tailgating 11/12/09 for USA's last game
- Field Trip to Alabama Power Plant Barry 11/17/09 at 2:30pm (contact Seeiichi Sugawara)
- Pending field trip to Rec Center

The next AGC meeting will be the beginning of February.

Adjourned 1:15pm
