

- *Southern Business and Development* magazine, which reaches an international audience, named Mobile as its second “hottest” markets in the south for industrial growth.
- Over \$10 billion worth of Steel, Energy and Utility Projects are slated for the Gulf Coast area Pascagoula, MS to Pensacola, FL over the next 2 years.
- *Forbes.com* named Mobile the No. 1 Small Metro Area on its list of America’s Fastest Growing Metros, stating the area’s gross metropolitan product (GMP) is expected to grow 34.1% in the next five years.
- *Expansion Management* magazine ranked Mobile on its annual list of America’s Hottest Cities. Mobile was ranked 37, based on a survey of more than 80 site consultants on factor’s ranging from business climate to workforce quality to operating costs to incentive programs.

OSHA is sponsoring this safety conference for the contractors and subcontractors who want to protect their most important asset, the men and women who are building our future.
