

AGC STUDENT CHAPTER MONTHLY MEETING MEETING MINUTES

10/06/2009

Call to order at 12:31pm by immediate past President Zachary Fulmer he introduced resident Brad Thomas

Presidents Report: Brad expressed sincere appreciation for Zach's past efforts with the organization. Brad introduced student officers Dustin Maherg, Michael Brackin, and Paul Kleinschrodt. Brad explained opportunities and advantages associated with being members of AGC Student Chapter. Introduced guest speaker from Hargrove and USA graduate Richard Simonson.

Guest Speaker Richard Simonson: Graduation USA Electrical Engineering Department in 1971. He received the highest paid entry level job in his graduation class. He stressed that successful engineers are self motivated and take initiative in their work and will succeed over the engineers that sit back and wait for work to come to them. He explained how everything engineers do feeds off of other disciplines of engineering. He urged the students to determine and pursue a specialty their career to give them an edge over the other guy that just has general experience. The conclusion of his talk had a productive question and answer session.

Upcoming Events: Golf Tournament Thursday October 8, 2009. All students are encouraged to come by and participate even though it may only be for a short time. AGC at Maghees, and AGC Tailgating events.

Dr. White and Mrs. Charlotte mentioned of possible site visits to the USA Rec Center and eventually to the new USA Engineering and Computer Science Building.

Adjourned 1:10pm
