

April, 2006

Mobile Section, Alabama AGC Construction Safety Excellence Awards

Mobile Section, AlabamaAGC recognized their members who maintained an excellent safety record throughout 2005, Wednesday, April 05, 2006 at a luncheon at the Country Club of Mobile.

OSHA's Mobile Area Director, Ken Atha, was the guest speaker. Atha commended the contractors and suppliers for their outstanding Safety Records.

This event is part of an ongoing and evolving effort by the Mobile Section, AGC in partnership with our members in insurance, safety management, and law, to recognize companies in the Mobile area, who have developed and implemented excellent safety and loss prevention programs through management commitment, employee training and program innovation.

The following companies are to be commended for the safety excellence they have demonstrated throughout 2005.
